

Trexennial 1970

GROWING INTO THE PERSON I WAS REALLY MEANT TO BE!

Indeed you made me proud to be your principal again this past year! The school-year 1969-70 was marked by many notable accomplishments by Trexler pupils. Gradually day after day I saw many of you molding yourselves—with the guidance of your parents, teachers, and friends—into the persons God really intended you to be!

I know that you ninth graders will go to the high schools well prepared to continue on your quest for excellence. As always, I shall keep my eyes on each of you in our high schools, rejoicing in your every victory and feeling deep disappointment in your every defeat.

I've been keenly observing you eighth graders as you grew out of your seventh grade immaturity into grand teenagers ready to take over the work of the ninth grade. You face a great challenge! Ninth grade set an unusually fast pace! However, I know you will fit in and set new records for Trexler Junior High School.

You seventh graders seem to have had to overcome many problems beyond your control! But you did it! From a gang of immature elementary girls and boys, you have at long last, ever since spring set in, shown the potential to become Trexler's outstanding class. Therefore, class of 1972, I challenge you to set your goals high, to fan the flame of desire in your own hearts—a desire to become a champion class! It should be easy, for you have had a grand "bunch of kids," the Class of 1970, to show you the way!

As to the summer! Here is the Trexler challenge to all of you:

1. Get up and smile each day and do a kind deed for your mother or dad!
2. Read at least one book each week. Refer to your summer list. Paperbacks will be on sale during the summer months.
3. Get into the habit of visiting your place of worship every week and attending the services.
4. Play it safe! Don't be daring! Do it because it's right!

Have a wonderful summer. Let us know where you're vacationing by sending us a card.
